RE: **ADDENDUM TO WWCC NURSING ADMISSION GUIDE, 2020-21:** Change in the policy for Skills and Medication Competency for Returning or Transfer Students

Students who are returning or transferring to the WWCC Nursing Program must demonstrate Nursing Skills, Medication Administration, and Dosage Calculation competency as described on p. 23 of the 2020-21 Nursing Admission Guide. Previously, students must have this provisional admission requirement completed by the time clinical begins. This timeline has been changed and this provisional admission requirement must be satisfied within the first two weeks of the quarter of entry.

If there are questions, please contact me at kathleen.adamski@wwcc.edu or 509-527-4240.

Best wishes,

Kathy Adamski (e-signature, kma)
